LAUNCH Design and Technology Spring 1 Week 3 Thursday 21 January 2027 P1 Year A Resilience and Change

I can use real evidence to review my dish, check its cost and choose one improvement.

1. Use your actual plan and Week 2 record or photo.
2. Check taste status and appearance separately.
3. Recalculate ingredient-use cost per portion and review the food groups.
4. Give one improvement, a reason and a way to check it next time.

Own evidence

Use actual records, your own words and one reason. Taste not tried and recorded stays not assessed. Keep missing work pending. An adult can read your confirmed words back.
