Design activity prompts

Design and Technology LAUNCH Spring 1 Week 4 Thursday 28 January 2027 P1 Year A

1 Read the purpose

Name the contents, three joined edges and one open edge. Keep the written sizes beside you.

2 Compare fabric

Look at stretch, edge and firmness. Use an actual sample test with adult approval, or name the model information.

3 Choose a method

Compare hand stitch and approved bonding. Explain why a fastening does not replace the side and bottom joins.

4 Record a decision

In your book, name the fabric, property, join and purpose-linked reason. Label two 100 mm by 120 mm pieces and 10 mm seam lines. Leave the top open.

5 Check and improve

Read your choice back. Correct a label or add a reason. Keep one question or change and the book page for Week 5.

No materials

With no fabric, tools, paper or printer, hear the purpose and model descriptions. Point, speak or sign a choice. Explain one property and one reason. Rehearse the plan with empty hands. An adult records exact confirmed words when a recording method is available. Mark transcription pending until it exists. Keep actual sample tests and textile making pending.
