Supported making pack

Design and Technology LAUNCH Spring 1 Week 5 Thursday 4 February 2027 P1 Year A

I can use my checked design to measure, cut and join accurately with safe support.

Use the actual approved design. Wait for the adult’s tool and support checks.

1. Use one action at a time with an adult.
2. Point to the ruler zero and the 100 mm and 120 mm marks.
3. Complete or direct the agreed cut and join. Ask for prepared pieces if needed.
4. Check one real measurement and record what you and the adult each did.

My actual record

In your book: design reference ___. Actual width and height ___. Seam guide ___. What I did ___. What the adult did ___. Join stage ___. One real correction or next step ___.

Safe access

Rehearse in any language. Point, speak, sign or direct an adult. Keep the agreed supervision. A paper model or empty-hand rehearsal is simulation and leaves textile practical evidence pending.
