Words for rights and community

Use these words with the invented class and community scene. No personal background, real dispute or legal status is needed.

Right

A basic thing everyone is entitled to. Rights are not prizes for good behaviour.

Responsibility

A way to act with care for others and help protect rights. Doing it does not earn a right.

Community

People who share a place, group or activity. Everyone can contribute.

Charter

A short shared plan about how a group aims to act. This lesson uses an invented class, not a real contract.

Fair

Respect rights and needs. Different people may need different help or time.

Privacy

Care with personal details. A safety concern is shared with people who can help, including the safeguarding lead.

A private opener

Can we talk in private? I would like help.
If one adult is busy or help is not enough, ask another trusted adult.

A model

Everyone has a right to be heard. Listening helps protect that right. A person still has rights if they break a turn rule. Adults help put things right fairly.

Your usual route

Point, use an aid, type or ask for an exact scribe. The adult reads back quietly so you can correct it. You may pass or use the agreed supported pause.
