My work review prompts

Use your own work. A point, word or aid can show your reply.

Step	Prompt
Choose	Which piece of work will you show?
Check	What is its code? When did you do it?
Show	Which part did you do?
Explain	What does it show? What help did you use?
Keep	Where will the work or its link go?

Work from this term

Week	Work to look for
1	My snack plan
2	A record of washing and cleaning
3	A record of my two recipe steps
4	My job and task matches
5	My tray job, check and report
6	My winter card and making record

Use work that is there. If a piece is missing, say so. A list of work is not the work itself.

Adult: read these prompts as written. Note the actual reply and all help. Do not give a model answer first.

Check before you finish

Can the work be found again?
Is the day it was done still clear?
Is your own part and help clear?
Is your next step and review date clear?

Adult: record any help to choose, explain or file. Keep today’s review date apart from the day of the earlier work.
