Teaching assistant brief

BUILD Spring 1 Week 2 Tuesday 12 January 2027 P1 Year A Explore

I can make a small piece linked to a feeling.

Arrival 0-3; Starter 3-6; I do 6-12; We do 12-18; Create 18-32; Review 32-37; Exit 37-40 minutes. Tidy in the final two minutes of Review.

I do

Point to the feature being modelled. Check one detail. Do not decide a feeling for the pupil.

We do

Offer two versions. Ask what changed. If unclear, change just one feature and check again.

Create

Use the prompt ladder. Record the actual help. Return the next action to the pupil after modelling one step.

Materials free access

Make or direct a silent hand piece or air drawing with a beginning and ending. The adult records the observed order and the pupil's confirmed emotion, choice and review when a recording method is available. No art materials, instrument or device is required for participation.

Log and review

Scribe exact pupil words. Read them back and allow correction. Keep observed actions separate from the pupil's intended feeling.

Prompt ladder: 1. Point to the place or instruction. 2. Ask a short question. 3. Rephrase the instruction. 4. Provide a scaffold or choice. 5. Model the first step only, then return the task.

Plan in any language. Use a silent seated route and private sharing when helpful.

Evidence

Retain actual work or a precise observation plus the log. Keep optional stretch labelled separately. Do not infer a completed award or live encounter.
