Teaching assistant brief

GROW Spring 1 Week 2 Monday 11 January 2027 P6 Year A Explore

I can choose one technique, keep a first try and practise it.

Arrival 0-3; Starter 3-6; I do 6-12; We do 12-18; Create 18-32; Review 32-37; Exit 37-40 minutes. Tidy in the final two minutes of Review.

I do

Point to the gap or pace being modelled. Keep the pupil's baseline separate from adult examples.

We do

Use one cue and one target. Model the first step only, then return control.

Create

Record actual support. Keep baseline, practice and pupil words labelled distinctly.

Materials free access

Use a silent four-action sequence or pupil-directed adult sequence. Adult retains a precise dated witness note of the before test, chosen cue, practice and pupil view. A device is not needed.

Log and review

Scribe exact pupil words. Read them back and allow correction. Keep observed actions separate from the pupil's intended feeling.

Prompt ladder: 1. Point to the place or instruction. 2. Ask a short question. 3. Rephrase the instruction. 4. Provide a scaffold or choice. 5. Model the first step only, then return the task.

Plan in any language. Use a silent seated route and private sharing when helpful.

Evidence

Retain actual work or a precise observation plus the log. Keep optional stretch labelled separately. Do not infer a completed award or live encounter.
