Two ideas and one plan

GROW Spring 1 Week 3 Wednesday 20 January 2027 P5 Year A Explore

In your book, make two small plans. A thumbnail is a quick rough sketch. For sound or movement, use short action notes.

Plan A and Plan B

Plan A quick sketch or short action notes

Plan B a different idea or arrangement

My choice

Which idea could show resilience? Choose one and say why. Resilience can include a pause, help or a new way forward.

My materials and actions

Name what you need and count the items. Keep the plan small. List what comes first, next and last. Add a time, space and safe stop cue. If you need no art materials, say which actions or adult help you will use.

Before making

Check that materials are available. Change the plan if needed. Keep both small plans, your reason, materials plan and next step in the arts log. This is a plan, not completed artwork.
