Teaching assistant brief

GROW Spring 1 Week 3 Wednesday 20 January 2027 P5 Year A Explore

I can develop my chosen plan and explain how I will make it.

Arrival 0-3; Starter 3-6; I do 6-12; We do 12-18; Create 18-32; Review 32-37; Exit 37-40 minutes. Tidy in the final two minutes of Review.

I do

Point to each planning heading and the matching model detail. Keep planning separate from full making.

We do

Ask one practical question. Help the pupil add a useful note without choosing the meaning for them.

Create

Read labels or sequence notes back. Record actual pupil choices, counted resources, access, steps, time and next check.

Materials free access

Pupil directs an adult through the layout or sequence and gives an oral tools/no-tools list, order, access and time plan. Adult retains exact confirmed notes. No materials or device are needed to participate.

Log and review

Scribe exact pupil words. Read them back and allow correction. Keep observed actions separate from the pupil's intended feeling.

Prompt ladder: 1. Point to the place or instruction. 2. Ask a short question. 3. Rephrase the instruction. 4. Provide a scaffold or choice. 5. Model the first step only, then return the task.

Plan in any language. Use a silent seated route and private sharing when helpful.

Evidence

Retain actual work or a precise observation plus the log. Keep optional stretch labelled separately. Do not infer a completed award or live encounter.
