A piece with my new texture

Weekly outcome: Try a new expressive technique.

I can use my new texture in a small piece.

Today I can

I can use the new way I tried.

I can keep or change one part for a reason.

I can show what I did in my arts log.

Words to use

texture — How a surface feels or looks.

rub — Move a tool back and forth.

light — With a small amount of force.

test — A small try before a piece.

One worked example

Teacher example only: the ridged marks suggest energy to me. Another maker may read them as calm.
