Teaching assistant brief

GROW Spring 1 Week 5 Wednesday 3 February 2027 P5 Year A Explore

I can make one chosen change and record what it actually did.

Arrival 0-3; Starter 3-6; I do 6-12; We do 12-18; Create 18-32; Review 32-37; Exit 37-40 minutes. Tidy in the final two minutes of Review.

I do

Distinguish a planned change from an actual revision. Keep both real states visible.

We do

Accept an unsuccessful trial honestly. Keep optional private peer feedback consensual and separate from required work.

Create

Observe one actual revision. Record exact before and after actions, support, pupil view and next step without inventing an effect.

Materials free access

Perform or direct the planned quiet or silent sequence, change one action, order detail, pause or original phrase, and perform or direct the revised version. Adult witnesses both actual versions and scribes the pupil's view and support.

Log and review

Scribe exact pupil words. Read them back and allow correction. Keep observed actions separate from the pupil's intended feeling.

Prompt ladder: 1. Point to the place or instruction. 2. Ask a short question. 3. Rephrase the instruction. 4. Provide a scaffold or choice. 5. Model the first step only, then return the task.

Plan in any language. Use a silent seated route and private sharing when helpful.

Evidence

Retain actual work or a precise observation plus the log. Keep optional stretch labelled separately. Do not infer a completed award or live encounter.
