

Week 6 Finish and restart

Main task · GROW computing · 40 minutes

Name: _____ Date: _____

I can create a win response and start a fresh game.

Point, say, draw or write. Someone may record your exact words.

Arrival > Starter > I Do > We Do

I Do 2 > We Do 2 · Task > Independent Task > Exit

Arrival 0 to 3 minutes

Open your own W05_Walls.sb3.

Starter 3 to 6 minutes

Player reaches Finish. What should the game do?

My prediction

I Do 6 to 11 minutes

Watch the model. Point to the sprite or block that matters.

We Do 11 to 18 minutes

Predict. Ask a partner or adult to check your idea. Test together. Explain what changed.

Shared test	We expect	We see
Fresh flag, away from Finish	No win message	
Reach Finish	Win message appears once	
Stay at Finish for another check	No repeated win response	

I Do 2 18 to 21 minutes

First clear the old message. Go to a safe start before waiting for Finish.

We Do 2 · Task 21 to 25 minutes

Show your next action. Choose a task route with your teacher.

Win once. Click the green flag. Check the message clears.

My coding task

Main task · Independent Task 25 to 35 minutes

- ☐ Select Player. Keep the controls and wall rule.
- ☐ Build a new green-flag script. Add say [blank], then go to your safe start.
- ☐ Add wait until from Control. Put touching Finish? in its condition.
- ☐ Join say [your win message] below wait until.
- ☐ Test reaching Finish. Check that the message appears once.
- ☐ Press the green flag. Check the message clears, then test a wall and another win.

My safe start: x _____ y _____

One test I ran	Expected result	Actual result

My idea and its effect

Choose a short win message or a quiet visual signal. Test whether it is clear and comfortable.

What I said

What the adult said back and what changed

What I said, and what it changed. You can say this privately or have your words written for you.

Exit 35 to 40 minutes

- ☐ Save as W06_Win.sb3.
- ☐ Load the saved file.
- ☐ Run the check or select the three sprites.

File > Save to your computer. Then File > Load from your computer. Keep the .sb3 file in your school folder.
