Purpose and success checks

The weekly scheme line above is shared across two lessons. This lesson focuses on a festive café proposal.

What would a workable catering plan need?

I can plan for a proposed audience. I can work out a simple task cost. I can list what staff still need to confirm.

VOC-W6-L1-E1: Individual festive catering proposal with proposed audience/purpose, quantity and fictional cost working, role allocation, pending checks and an in-class alternative.

Before pupils arrive

Print the fictional planning brief and price table in Support Cards. Use paper only, a calculator if appropriate, empty sample containers and a clear table plan. There is no confirmed event date, guest, visitor or placement. Staff retain responsibility for any later real-event permissions and food-safety plan.

Offer processing time, a quiet start and the usual communication support. Capture each learner's own work. Read the Staff Answers before teaching.

Calendar and continuity

Monday 7–Friday 11 December 2026. Two 40-minute lessons this week. No teaching day or clock slot is inferred. Any visitor, placement or external audience is unconfirmed; the in-class route is ready to use.

Staff enter the actual teaching date above. Continue the accepted prior-week evidence and support routines.

Forty minute sequence

Slide	Min	Action
1	0	Open title and big question before timing.
2	4	Private check-in, quiet start and support choice.
3	2	View the practice picture; hear one clue or question.
4	0	Read the exact objective and success checks.
5	5	Model the six lines; explain the reason for each.
6	5	Ask for a hinge answer and reason; reteach if needed.
7	12	Use the six cards and the Supported/Independent/Aspire routes.
8	6	Complete the individual two-page evidence record.
9	4	Check ownership, support, response and next step.
10	2	Take a short quiet exit response.
11	0	Use the vocabulary mat throughout.
12	0	Hidden reference for adults.

Hinge and reteach

B. A plan is a proposal. The responsible adult must confirm any real audience, venue, timing, budget, ingredient/allergen information and safe arrangements. Reteach by sorting “proposed” and “confirmed” details. No booking is inferred from a planning sheet.

Access and practice

Supported: choose and explain one option. Independent: add quantities, costs and roles. Aspire: explain a limit or a change in need.

Use the independent task brief: eight proposed guests, one item each, packs of four at £3, task budget £12. Two packs cost £6, leaving £6. This is a fictional planning allowance, not live pricing or permission to spend. Plan customer communication, accessibility, quantities, roles, hygiene/allergen checks, storage and clearing up. Keep all operational details proposed or pending.

Begin evidence during practice and finish during capture. Accept speech, pointing, drawing, writing or usual AAC. Scribe exact words without supplying the assessed reason. No forced pair work or public performance.

Safe teaching evidence and learner voice

Boundaries

Planning only: no purchasing, cooking, serving or invitations. Actual ingredients, allergen requirements, hygiene, equipment and storage need responsible-adult checks before a real service. No “allergy-free” assurance or ingredient substitution is guessed.

Unconfirmed slot and in class alternative

Unconfirmed. No booking, invitation, placement or event date is asserted. Keep the event as a paper proposal. An adult acts as the audience for questions; use fictional needs and the printed task prices. No external participation is needed.

Assessment and feedback

Task calculation: 8 items need 2 packs of 4; 2 × £3 = £6; £12 − £6 = £6 remaining. Accept a reasoned different quantity only when its assumptions and full recalculation are explicit. Menu names never establish allergen safety. No real booking, spending or event completion is claimed.

Retain actual work, response mode and support. Use VF · WS · I · NS+ (Yellow Box) · // (self-edit) · ? (read back) · R (responded) · E (evidence banked). R requires Voice, Audience, an NS+ prompt and the learner’s response in their own colour. Record E only after evidence is banked. Blank forms and adult models are not completed learner evidence.

Lundy moments

Space: calm, accessible participation. Voice: a choice, reason or help request. Audience: the adult listens or reads and replies. Influence: record the support or next-step change made in response.

Offer to the Communication portfolio

Explain a choice, listen to feedback and write or dictate a reflection. The receiving teacher maps authentic responses to their own Communication portfolio; no criteria are assigned here.
