Purpose and success checks

The weekly scheme line above is shared across two lessons. This lesson focuses on checking my hospitality evidence.

What does my portfolio show, and what is still missing?

I can link a skill to my own work. I can record help and label missing evidence. I can organise a clear evidence index.

VOC-W7-L1-E1: Individual hospitality evidence index linking actual work to skills in words, with ownership, support, context, storage references and explicit gaps.

Before pupils arrive

Gather the learner's authentic Weeks 1–6 vocational records and approved evidence storage. Include real preparation/service observations only if they exist. Keep the new LAUNCH workbook mapping separate from earlier hospitality-module challenge labels. Staff check ownership; learners do not access another learner's folder.

Offer processing time, a quiet start and the usual communication support. Capture each learner's own work. Read the Staff Answers before teaching.

Calendar and continuity

Monday 14–Friday 18 December 2026. Two 40-minute lessons this week. No teaching day or clock slot is inferred. Any visitor, placement or external audience is unconfirmed; the in-class route is ready to use.

Staff enter the actual teaching date above. Continue the accepted prior-week evidence and support routines.

Forty minute sequence

Slide	Min	Action
1	0	Open title and big question before timing.
2	4	Private check-in, quiet start and support choice.
3	2	View the practice picture; hear one clue or question.
4	0	Read the exact objective and success checks.
5	5	Model the six lines; explain the reason for each.
6	5	Ask for a hinge answer and reason; reteach if needed.
7	12	Use the six cards and the Supported/Independent/Aspire routes.
8	6	Complete the individual two-page evidence record.
9	4	Check ownership, support, response and next step.
10	2	Take a short quiet exit response.
11	0	Use the vocabulary mat throughout.
12	0	Hidden reference for adults.

Hinge and reteach

C. A blank form or another person’s work cannot establish the learner’s food preparation. Check for an authentic existing observation or work record. If it is missing, leave the gap and agree a future opportunity with staff. No completion claim is made from the folder’s appearance.

Access and practice

Supported: match a real record to one skill. Independent: index work, support and gaps. Aspire: explain what a record cannot prove.

Check one record at a time for owner, actual activity, context and support. Use the evidence index to distinguish real food/service observations, paper plans and rehearsals. Missing work gets a gap and follow-up, not a tick. The workbook’s summative assessment is retained; this audit does not itself prove award completion.

Begin evidence during practice and finish during capture. Accept speech, pointing, drawing, writing or usual AAC. Scribe exact words without supplying the assessed reason. No forced pair work or public performance.

Safe teaching evidence and learner voice

Boundaries

Use approved staff storage. Do not copy another learner’s work, fabricate a date, create a retrospective observation or upload private records publicly. No new food task is required in this portfolio lesson.

Unconfirmed slot and in class alternative

Unconfirmed. No booking, invitation, placement or event date is asserted. Review the authentic in-class work that exists. Label any rehearsal or proposal and list missing practical or external evidence. A visitor or placement remains unconfirmed unless staff have an actual record.

Assessment and feedback

Each claimed skill has a traceable learner record or remains marked missing. Retain actual dates when known and mark unknown dates honestly. School source mapping is exact; Public award labels are masked. This is an index and audit, not evidence that every practical task has been completed.

Retain actual work, response mode and support. Use VF · WS · I · NS+ (Yellow Box) · // (self-edit) · ? (read back) · R (responded) · E (evidence banked). R requires Voice, Audience, an NS+ prompt and the learner’s response in their own colour. Record E only after evidence is banked. Blank forms and adult models are not completed learner evidence.

Lundy moments

Space: calm, accessible participation. Voice: a choice, reason or help request. Audience: the adult listens or reads and replies. Influence: record the support or next-step change made in response.

Offer to the Communication portfolio

Explain a choice, listen to feedback and write or dictate a reflection. The receiving teacher maps authentic responses to their own Communication portfolio; no criteria are assigned here.
