RE and Worldviews · GROW · Spring 1 · Week 5 · GROW-RE-S1-W05 · Date _____

How can festivals express spring or a new start?

Today I can… ☐ I can link a festival to a source idea. ☐ I can give a similarity and a difference. ☐ I can keep meanings with the right source.

Feedback: ☐ VF ☐ WS ☐ I ☐ NS ☐ E ☐ R ☐ [//] ☐ [?]

_____

RE learns about celebrations; this activity is not worship

Arrival · 5 min

Stretch

In your book: Four short responses, marks or adult-recorded pupil choices, unless passing.

1. A similarity

Explain how both accounts can support care without identical beliefs.

Clue: Check your reason against what you know. You may say not known.

2. A difference

Use one detail from each account to compare their reasons.

Clue: Check your reason against what you know. You may say not known.

3. A fair comparison

Why is a limit important in a fair worldview comparison?

Clue: Check your reason against what you know. You may say not known.

4. Link to today

Why might two festivals share a theme but differ in meaning?

Clue: Check your reason against what you know. You may say not known.

Exit Ticket · 3 min

Stretch

In your book: Both brief Exit responses and a confidence mark, unless passing.

Fresh Exit source

Fresh display notes — G-P-S5 and G-P-S6, in new words. X: an Easter account links new life with hope and kindness. Y: one Holi account welcomes spring and marks good overcoming evil; it describes colour in some celebrations. These are source accounts for study.

1. Scheme check 1

Compare how the two accounts express renewal.

2. Scheme check 2

Why should a display keep each symbol's meaning with its source?

Confidence

Confidence: 1 = not sure yet; 2 = partly sure; 3 = sure.
