Theme Resilience & Change. Formative. Six-week term, Week 6 assessing.

Exact outcome

Name a big feeling and a way to manage it.

Learning and evidence

Use four calm invented scenes: cross, sad, worried and excited. Match a stated feeling with safe familiar breathe, move, tell someone or take space. More than one safe match may fit. Practise the story/picked-word frame or draw/label a story face/help step. Keep an individual feeling/help response and next step/reply.

Forty minutes

0–12	**Calm start, four words, A model and one-minute reset.**
12–25	Guided match, private hinge, help choice and reset.
25–40	Own story line/drawing, feedback and private exit.

Access and private help

Level 2 bank, starter and visible model on every task and all routes. No public questioning, personal disclosure or compulsory technique practice. Familiar school steps only, no guaranteed effect. Trusted adult/school help route; pass, pause and supported return. Exact scribe reads back. Plan in any language.

Where this leads
