Standard planning pack

Design and Technology LAUNCH Spring 1 Week 1 Thursday 7 January 2027 P1 Year A

I can plan one balanced meal, check its cost and explain my choices.

Core evidence: a completed meal plan with costs and your own one-line reason.

1. Choose the model meal or swap ingredients from the card.
2. List the exact amounts and add their prices. Work out the money left.
3. Explain how your choices include the main food groups.
4. Keep the three-step method and identify two safety actions for next week.

Keep your own record

Use the meal plan headings in your book. Record dish, quantities, costs, total, money left and the balance reason. Keep the checked three-step method for next week.
