Teacher allergy and dietary note

Design and Technology LAUNCH Spring 1 Week 2 Thursday 14 January 2027 P1 Year A

Blank master. Complete one private note per pupil from current school records, the school allergy policy and individual healthcare or access plans. Check every actual ingredient label and substitution. Do not infer no allergy from a blank field.

Check to complete privately	Record from current records and actual checks
Private pupil record reference	_____
Record or plan consulted and date checked	_____
Allergy and dietary requirements from records	_____
Foods or ingredients to avoid	_____
Approved ingredients and substitutions	_____
Actual labels and precautionary statements checked	_____
Controls for cross-contact and shared equipment	_____
Individual emergency arrangements confirmed	_____
Trained supervising and responding roles	_____
Needed equipment or access changes	_____
Unresolved checks and action required	_____
Adult decision GO or HOLD	_____
Checking adult role and actual date	_____

Every field is unfilled in this master. Record the actual status; GO requires completed checks and suitable facilities. Incomplete or uncertain information means HOLD. Keep completed notes secure and separate from shared teaching files or published material.
