# Words for textile choices

Design and Technology  LAUNCH  Spring 1 Week 4  Thursday 28 January 2027  P1  Year A

**purpose**

The job the item needs to do.

**property**

A feature of a material, such as stretch or firmness.

**fray**

When threads come loose at a cut edge.

**join**

Connect two parts so they stay together.

**seam line**

The line where two fabric parts are joined.

**fastening**

A part that closes an opening, such as a button and loop.

**Sentence starts**

Foundation: I choose ___. It is ___.

Middle: This property helps the pouch because ___.

Higher: I rejected ___ because ___. A limit of my evidence is ___.

Use a sample or model row beside the words. Plan in any language. Read scribed words back and let the pupil correct them.
