Stretch finishing and evaluation pack

Design and Technology LAUNCH Spring 1 Week 6 Thursday 11 February 2027 P1 Year A

I can finish my item safely, test its purpose and explain what the evidence shows.

1. Finish the core work and record first.
2. Explain how one design choice helped the purpose.
3. Compare a real test result with your earlier prediction.
4. Choose one change. Say which evidence makes it useful.

Your own record

In your book: actual item ___. What I did ___. What the adult did ___. Test result or pending ___. My view because ___. One improvement ___. Evidence location ___.

Access and safety

Rehearse in any language. Point, speak, sign or direct adult handling as agreed. The independent stage still uses agreed supervision. A simulation leaves actual finishing and testing pending.
