Unit	Body privacy, personal space and permission
Thread tags	Thread tags: SMSC S/M/So (C: none); British Values IL/MR (D/RL/T: none).
Planned activity	Use four minutes to form or select a permission request for a fictional everyday action. Use five minutes to decide what should happen in two different boundary stories, normally A and C. Use three minutes to explore B or D and show why an unclear response means waiting. If rehearsing, an adult narrates the characters and no real borrowing or touching takes place.
Evidence	A permission request and responses to two boundary situations, recorded in the learner’s chosen mode.
Where this leads	This helps me respect other people’s space, belongings and choices.
