Use this mat beside your book. The lesson writer made all five cards in 2026. The sources behind them have different makers.

Card	Source behind the card	Maker
S1	Leaflet calling for a protest	Women’s Political Council and local leaders
S2	Letter asking for changes	MIA leaders
S3	Later history of shared rides	US National Park Service
S4	Court decisions in a later history	Federal judges; history by the King Institute
S5	Public statement to end the boycott	King for the MIA

Ask one question at a time

What does it tell us? Who made it? Why? What can it show? What can it not prove? What could I check next?

Short frames

It is useful for ____ because ____. It does not show ____. I would check ____.

A plan is not a result. A rule is not every daily experience. A later history can use many records, but it still selects what to tell us.

Quiet alternative

Quiet task: put 1, 3, 2, 5 and 4 in order. Then sort these made-up items by use: pencil, book, cup, plate. No history words are needed. This task does not show the history outcome.

Use the quiet signal to ask the adult for a pause. Use the agreed supervised place. No public reason is needed. Return with one small source check or a private recap when ready.
