Teacher answers · Arrival · continued

Arrival · Independent

Use one card to name a mosque feature and its purpose.

For example, the mihrab shows the direction for prayer.

Arrival · Independent

Is a place of worship used only for worship?

No. Many also serve the community.

Arrival · Aspire

Point to the picture that matches the top picture.

The left picture matches the top picture.

Arrival · Aspire

How is a feature different from a place of worship?

A feature is one part of a building. A place of worship is where people meet to worship.

Arrival · Aspire

Use card B. What does one feature tell us about prayer?

The mihrab shows the direction Muslims face for prayer.

Arrival · Aspire

Use card D. What can a mosque offer besides worship?

It may offer classes, food or shared meals. The activities vary.

Teacher answers · Starter

Starter

How can a faith group help people belong?

It can share a meal, pray together or serve others.

Starter

Which picture clue suggests people can pray in rows?

The open floor in picture 1 has room for rows. Card A describes this space.

Starter

Which clue suggests a set direction for prayer?

Picture 2 shows a niche in a wall. Card B explains that it is a mihrab.

Starter

Can this drawing tell us what every mosque looks like?

No. It shows example features. Mosques differ in size and design.

I do · 1

What is our question?

Name one feature of a mosque and its purpose.

I do · 1

Where can I look for a clue?

Start with picture 2 and card B.

Made by Matt

Teacher answers · Starter · continued

I do · 2

What does card B call this niche?

It is a mihrab.

I do · 2

What does the card say it shows?

It shows the direction Muslims face for prayer.

I do · 3

What is the mihrab for?

The mihrab shows the direction for prayer.

I do · 3

What does this tell us about the practice?

People face a set direction as they pray. The feature helps show that direction.

I do · 4

Is a place of worship used only for worship?

No. Many also serve the community.

I do · 4

What extra evidence supports that answer?

Card D describes classes, food banks and community meals.

Made by Matt

Teacher answers · We do

We do

Match the open carpeted floor to its purpose.

The open floor gives people room to pray in rows. Use card A.

We do

Match the washing area to its purpose.

Many Muslims wash before prayer. The washing area helps them prepare. Use card C.

We do

Match the mihrab to its purpose.

It shows the direction for prayer. Use card B.

We do

Is a food bank a worship or community use?

Community use. It provides food for people who need it. Use card D.

We do

Can one building support worship and community use?

Yes. Cards A and D describe space for prayer and help for the community.

We do decision checkpoint

Which claim fits cards A and D?

It can support worship and community use. Card A shows room to pray. Card D gives examples of classes, food banks or shared meals.

Made by Matt

Teacher answers · We do · continued

We do decision checkpoint

What should we check before we go on?

Give one worship clue and one community clue. If you have only one, read the other card and try your claim again.

Is it for worship, for the group or for both?

Accept worship for the prayer hall, the mihrab or washing before prayer. Accept group use for classes, food banks or shared meals. Accept both for the mosque as a whole, with one example of each use.

Teacher answers · You do

You do · Supported

Check two picture labels.

Picture 1 is the prayer hall. Picture 2 is the mihrab. Picture 3 is the washing area.

You do · Supported

Check one purpose.

The hall gives room for rows. The mihrab shows the direction for prayer. The washing area helps people prepare.

You do · Independent

Check your features and purposes.

Use card A for rows, card B for prayer direction or the imam’s talk, and card C for washing before prayer.

You do · Independent

Check your visitor tip.

For example, follow the host’s guidance about shoes and keep clear of people at prayer.

You do · Aspire

Check your link to a practice.

The mihrab shows a set direction for prayer. The washing area supports wudu before prayer.

You do · Aspire

Check why your tip shows respect.

For example, ask the host where to leave shoes. This follows the local practice and helps keep the prayer area clean.

Made by Matt

Teacher answers · You do · continued

You do · Choice

Check your two matches.

Hall: pray in rows. Mihrab: show prayer direction. Washing area: prepare for prayer.

You do · Choice

Check your tip.

A tip should help a visitor follow the host’s guidance or avoid interrupting worship.

Teacher answers · Review

Review and improve

Does my guide name a feature?

Point to a label such as mihrab. Check it with its evidence card.

Review and improve

Does my guide explain its job?

Give a purpose. For example, the mihrab shows the direction for prayer.

Review and improve

What can I improve?

Check one detail with the card. Edit in the same colour, on the same page.

Exit · Supported

Name or point to one feature and choose its job.

For example, the mihrab shows the direction for prayer.

Exit · Supported

Is a mosque used only for worship?

No. It can also offer classes, food or meals.

Exit · Independent

Name one mosque feature and explain its purpose.

For example, the hall gives people room to pray in rows.

Made by Matt

Teacher answers · Review · continued

Exit · Independent

Is a place of worship used only for worship? Use card D.

No. Card D describes community use such as classes or meals.

Exit · Aspire

Explain how one mosque feature helps people carry out a practice.

For example, the washing area helps people prepare for prayer by washing in a set way.

Exit · Aspire

Use a card to explain why a mosque may have more than one use.

Card D gives examples of community use. Card A shows room for worship. Activities vary.

Exit · Choice

Point, draw, sign or tell an adult one feature and its job.

Accept an accurate feature and purpose shown in the chosen way.

Exit · Choice

Show one use besides worship.

Accept an accurate community use such as a class, food bank or meal.

Is a mosque just for prayer?

No. A mosque is a place of worship. It can also serve the group. Accept classes, a food bank or shared meals, as in card D.
