Job roles and skill cards

Show a skill

These jobs are made up. Link a skill to a task, using actual work.

Fictional job role	One task in that role
A Packer	Read the job card. Pack the right paper shapes.
B Stock helper	Sort or count the paper cards.
C Team helper	Pass completed work on with a clear note.

Skill cards

Skill	What it can look like
Follow steps	Do the task in the given order.
Sort or count	Group shapes or find the totals.
Work with others	Pass work on and check the reply.

One piece of work may fit more than one role. The reason must fit the work.

A model link and work check

MODEL ONLY. This is a made-up worker’s record.

Part	Fictional model
Work	Three circles and two squares were sorted by shape.
Record	An adult saw the worker make both shape groups.
Skill	Sort by shape.
Job and task	Stock helper: sort paper cards.
Link	Sorting the cards could help with this task.
Next step	Count each group and record the totals.

Is it actual learner work

Example	Can it show this learner’s skill
Their own task and a clear record	Yes, if it shows the claimed skill.
An adult model or someone else’s work	No. Keep it apart from learner work.
A blank sheet or a claim with no work	Not yet. Name the gap and next step.

This model must not go in a learner’s record as their own work.

Choose link and plan

Learner ID _____ Work code _____ Date _____

This work shows _____

_____

The skill is _____

_____

This could help the job task _____

_____

The reason is _____

_____

One next step is _____

_____

If work is missing

Mark the gap. Ask an adult to find the work or plan a new try.

Do not copy the model as proof. New work has its own date.

Gap _____ Next task _____ Planned date _____
