Drama staff answers

Creative Arts · BUILD · Spring 2 Week 1 · Tuesday 23 February 2027 · P1

Weekly outcome

Use freeze-frame/role-play to tell a story.

Evidence to look for

Keep the actual story plan, dated observation and pupil-confirmed arts-log words. Record the contribution and help used. A photograph or recording is optional and follows local consent procedures. Model examples are never entered as pupil evidence.

Model responses

Teacher model only: I added a search mime and a pause before Here it is! I kept the order so the viewer could follow it.

Checks and corrections

Role-play needs lots of words - One short line or a silent action can tell the story.

A missing old plan means no lesson today - Make a fresh plan and date it today.

Feedback means telling someone they are good or bad - Notice a clear action, line, pose or pause and say how it helps the story.
