Drama staff answers

Creative Arts · BUILD · Spring 2 Week 3 · Monday 8 March 2027 · P5

Weekly outcome

Sequence a short drama with a group.

Evidence to look for

Retain a dated sequence sketch or cue record, a brief adult observation of the real performance or rehearsal, and each pupil's own confirmed arts-log words. Record the contribution, change and support actually used. A photograph or recording is optional under local consent procedures. Never enter a teacher model as pupil work.

Model responses

Teacher model only: First we want a den. Next the space is small. Last we make a small den. I chose a small roof pose.

Teacher model only: I directed the change pose. I asked the mover to hold close hands for three counts.

Checks and corrections

A still pose cannot tell a story - Three clear poses in order can show a start, change and end.

Everyone must speak - A silent pose or a pupil-directed adult pose is a valid contribution.

The group must build a real den - All objects and places are imagined. Show the idea with safe gestures.
