Weekly outcomes

BUILD: Sequence a short drama with a group.

GROW: Devise a short performance about overcoming change.

Prepare

Read the dated teacher plan and agree personal spaces and stop cue. Open the HTML or the editable slides. Pupil resources are supplied as checked PDFs and editable documents. No internet or device is required.

Arrival 3; Starter 3; I do 6; We do 6; Create 14; Review 5; Exit 3. Total 40 minutes. Use the last two Review minutes for a calm reset and storage.

Two lesson progression

The first lesson tests and plans; the second rehearses, refines or shares. Keep learner choices between lessons. If work or attendance is missing, create fresh work today. Do not fill gaps with invented evidence.

Arts log and next level evidence

Creative Arts · Spring 2 Week 3

Record genuine work

Use the existing book or arts log first. Optional A to D log pages are supplied. Each entry records the date, art form, learner role, real action or choice, reason, help used and next step. Keep work or a precise witnessed observation. Media is optional and follows local consent procedures.

A group product needs a separate note of each learner's contribution. A teacher model, missed session, assumed audience or unconfirmed arts encounter cannot be entered as pupil evidence.

GROW next level stretch

An optional Bronze-stretch layer is included in GROW. The pupil task is labelled Optional next level stretch. It supports additional enquiry, skill practice and reflection. Retain only real evidence. Explore is complete without it. A future level review must check the complete portfolio. These lessons alone do not complete the award.

Safe access

Agree an open-hand stop cue and clear personal spaces. Walk only. No running, lifting, stage combat, touch, blindfolds, darkness, sudden sounds or physical contact. Use imagined props. Never freeze by holding breath or a painful pose. Freeze for three comfortable seconds, then relax. Keep exits clear. Pupils can work seated, use small hand movements, direct an adult or share privately. Keep sound at speaking level. Follow local consent rules for optional media.

Use invented characters and events. Never ask pupils to act out a personal event, imitate a real person or disclose private feelings. Offer a pass, quiet directing role and agreed calm-space return cue. Do not use accents or disability as a character trait.
