Scheme outcome

Rehearse and refine our performance.

Evidence to look for

Keep the available earlier plan with its original date, a new dated rehearsal note, the actual feedback and each learner's confirmed choice and reason. Show the part before and after a change when possible. Record support and any unfinished work honestly. Fresh work is dated today. A photograph or recording is optional under local consent procedures and is not needed.

Model responses

Teacher model only: I changed when I gave the last cue. I waited until the group were ready. The watcher could see the small den at the end.

Teacher model only: The watcher still missed the last part. I will try turning my last pose towards them next time.

Checks and corrections

Refine means change the whole story - Keep the three story parts. Test one cue or pose.

A rehearsal must work first time - A trial can show what needs another try. Keep the real result.

Only a speaking actor has a role - Acting seated, silent movement and directing can each include a real creative choice.
