Drama support brief

Creative Arts · GROW · Spring 2 Week 4 · Monday 15 March 2027 · P6

Before the lesson

Agree space, stop cue and private sharing option. Use invented events. Never touch or move a pupil into a pose.

Focus

I do: Point to the part being tested. Name the single change. Ask what the pupil notices before giving an explanation.

We do: Invite one real choice from each learner. Model the first step only and return control. Keep the chosen cue accessible.

Independent: Record the learner's actual role, trial and words. Confirm the watcher's comment. Do not turn a group outcome or adult model into evidence of every pupil's contribution.

Prompt ladder

Point to the instruction or place.

Ask a short question.

Rephrase the instruction.

Provide a scaffold or choice.

Model the first step only, then return the task.

Record and return

Record the help used and the learner's own choice. Read any dictation back. Return the next step to the learner.
