Drama staff answers

Creative Arts · GROW · Spring 2 Week 4 · Wednesday 17 March 2027 · P5

Scheme outcome

Rehearse and refine the group performance.

Evidence to look for

Keep the available earlier plan with its original date, a new dated rehearsal note, the actual feedback and each learner's confirmed choice and reason. Show the part before and after a change when possible. Record support and any unfinished work honestly. Fresh work is dated today. A photograph or recording is optional under local consent procedures and is not needed.

Model responses

Teacher model only: I directed a pause before the group chose the small move. The viewer saw us make a new plan. Next week I will check readiness before the start cue.

Teacher model only: The viewer still could not see the result. We will practise the final small pose once before the show, rather than claiming it is finished.

Checks and corrections

A rehearsal plan proves the performance is done - Record the rehearsal today and the performance only after it happens next week.

A refined scene must be longer or louder - A pause, silent cue or smaller clear move may make the same scene easier to follow.

The audience must include families or outside guests - The planned audience is the class and invited staff only. Agree accessible roles and private staff rehearsal options.
