In your book, write a question for scene 1. Write a report for scene 2. Say what and where. Write a kind reply for scene 3. Read one reply back and check it.

A model to keep

A worker has to sort cups. They do not know which tray to use.

Pause and face the task. Ask: 'Which tray do you mean?' Listen or watch the lead worker show the tray. Check: 'So these cups go on this tray. Is that right?'

You can ask for help. You do not need to tell a true story from your life.

Ask a trusted adult for a private talk. Point to HELP, write or use your aid. You may pass, pause and return with help. No personal story is needed.
