My work ready record

Tuesday 23 March 2027 · P3 · 40 minutes · Year A

BUILD Careers · Spring 2 Week 5 · Shared resource

Use the made-up work cards. Show your ideas in your book, with an aid or with an adult. This printed page is a guide. You do not write on it.

Show your thinking

1. Calm response to feedback.
2. Sensible fix after a mistake.
3. Check for next time.
4. Chosen skill and work clue.
5. Small step support and check time.

Supported

Use C. Pick a calm reply from two choices. Pick a safe next step. For the work check, point to a rating and choose one skill with an adult. The adult records your words and help.

Independent

Use C. Give a calm reply, a fix and a check for next time. Rate the six skills using work you kept. Pick one skill and one small step to practise.

Aspire

Use C and D. Explain when to ask for help or stop for safety. Use a work clue to explain your rating. Say how you will know your small step has helped.

For each skill choose: I need help / I can try with help / I can show this. Use work you kept as a clue. Pick one skill to practise. Say one small step, who can help and when to check it.

Help in private

Ask a trusted adult for a private talk. Point to HELP, write or use your aid. You may pass, pause and return with help. No personal story is needed.

Staff evidence record

CAREERS-BUILD-S2-W05-E1 · Tuesday 23 March 2027 · P3

Record actual work. A pass or missing work is not yet seen; say which. Keep normal access separate from answer help. A made-up case shows classroom practice, not real workplace performance.

VF verbal feedback; WS worked with support; I independent; NS next step; // self-edit; ? read back; E actual evidence saved; R responded. R follows Voice and Audience, one NS and the pupil reply in the same colour, on the same page or usual mode. Add to Careers Portfolio. Offer to the Communication portfolio.

Evidence may contribute to the unit award. Staff confirm mapping from the evidence actually kept.

Half term outcome check

Staff use actual evidence for each exact outcome. Tick one state and add a date, work reference, what it shows and help given. Retain gaps. Self-ratings do not prove that a skill is secure.

Week and exact outcome	Tick one	Evidence and help
Week 1 row 22 I can identify at least four behaviours employers value, such as reliability, communication, effort and safety.	[ ] Shown [ ] Partly [ ] Not yet seen	
Week 2 row 23 I can explain why being on time matters and choose an appropriate action if I am delayed or absent.	[ ] Shown [ ] Partly [ ] Not yet seen	
Week 3 row 24 I can ask for clarification, report a problem or speak to a customer/colleague using appropriate language.	[ ] Shown [ ] Partly [ ] Not yet seen	

Shown: actual evidence covers the outcome with access recorded. Partly: some parts shown. Not yet seen: missing, pending, pass or not shown yet; record which. Adult-supplied answers are support. Do not award a total score or grade a personal preference.

Week 5: keep the feedback reply and next step after the error separately from the self-rating and chosen skill/action plan. Compare earlier work only when it exists. Add a check time for the next action.
