Choose your route

Supported

Use C. Pick a calm reply from two choices. Pick a safe next step. For the work check, point to a rating and choose one skill with an adult. The adult records your words and help.

Independent

Use C. Give a calm reply, a fix and a check for next time. Rate the six skills using work you kept. Pick one skill and one small step to practise.

Aspire

Use C and D. Explain when to ask for help or stop for safety. Use a work clue to explain your rating. Say how you will know your small step has helped.

A model to keep

A worker puts a box on the wrong shelf.

Pause. Listen. Say, 'Thank you. Which shelf is right?' Check the label. Move the box safely.

You can ask for help. You do not need to tell a true story from your life.

Ask a trusted adult for a private talk. Point to HELP, write or use your aid. You may pass, pause and return with help. No personal story is needed.
