A fair turn

Two pupils make a poster.

There is one blue pen.

Both want to draw.

The first pupil uses the pen.

The other pupil waits.

They make a plan.

Each will have a turn.

The next pupil needs a thick grip.

An adult puts a grip on the pen.

The next pupil can use the pen now.

Both pupils add a mark.

Both have a turn and the help they need.

That is fair.
