Three made-up scenes

A School: A pupil has books to carry. Another asks, Can I help? They wait for yes or no.

B Home: A child and an adult share a small task. The child puts cups on the table. This helps the adult.

C Shared path: A child leaves space. An adult can pass. The child does not touch the person or their stick.

Words and start

care, ask, help, share, space, plan
Start: This cares because __.
Model: This cares because they ask first.

These are made up. You do not need to tell a story about your own home.
