My role and reflection

Choose one real role: choose, place, make, point, read or check. Ask first. Listen to yes or no. Use the checked kit.

Words and starts

care, ask, help, share, role, check
I helped by __.
It was fair because __.
We still need __.

Models only

I helped put books in the tray.
It was fair because we shared the jobs.

Use your real part

Keep a short line in your book. An adult can write your exact words or chosen phrase and read it back. Keep or change it.

You can choose a seated checking role. You can pass or rest. If you pass on all roles, the adult keeps the action record open. Plan in any language. Use your usual aid.
