Listening and talking support

Pink supported print

My choices

I can hear one card again.

I can point, speak or use a scribe.

I can ask for an agreed quiet pause.

A talk frame

They might feel ____.

A model and my turn

Worked example

Question: A pupil joins a new group. What might they feel and hope for? Model: They might feel worried. They hope for a kind partner. An adult could show a seat. We would ask before deciding how they feel.

My turn

They might feel ____. They hope for ____. A kind next step could be ____.

Plan in any language. Learn about a belief without having to share it.
