Atlas pupil resources

Friday 26 February 2027 | P2 | 40 minutes | Year A

Humanities | GROW | Spring 2 Week 1 | HUM-GROW-S2-W01

Learning outcome: Use atlases and maps to locate climate zones and hazards.

You may point, write, type, speak in private or direct a scribe. You may pass. Reading aloud is your choice.

Index for page 1

Place	Grid box	Map clue
Amazon Basin	C4	Tropical
Mediterranean	E2	Temperate
Arctic	E1	Polar
Japan	H2	Earthquake
Indonesia	G4	Volcano
Sahara	E3	Dry
Iceland	D1	Earthquake and volcano

The first five places are the core task. Sahara and Iceland are extra. Letter across, number down. A box is an area, not an exact point.

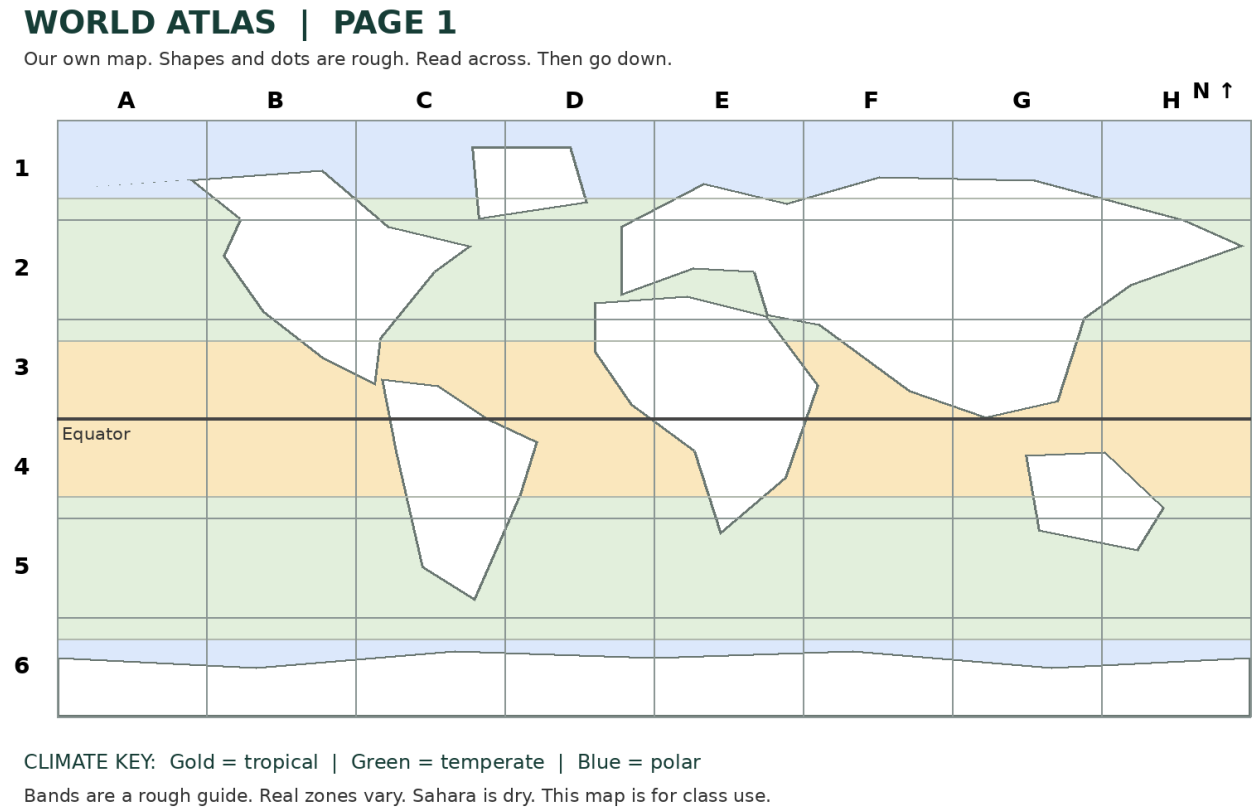

My map labels

Friday 26 February 2027 | P2 | 40 minutes | Year A

Humanities | GROW | Spring 2 Week 1 | HUM-GROW-S2-W01

Cut these out or ask for ready-cut labels. Place them on your own blank map in your book.

Place	Label or mark
Amazon Basin	Tropical
Mediterranean	Temperate
Arctic	Polar
Japan	Circle = earthquake
Indonesia	Triangle = volcano

In your book, use a blank map. Label the Amazon Basin, the Mediterranean and the Arctic with their climate zones. Plot a circle for earthquake hazard in Japan and a triangle for volcano hazard in Indonesia. Add a key. Use the index and grid to check each place.

My check

I used the index and grid. I placed three climate labels and two hazard marks. I added a key. I checked one place with my partner.

Use the agreed quiet signal for a pause. Stay with the adult in the usual place. Rejoin with one map check. A neutral shape task is ready.
