Community Cards

Friday 19 March 2027 | P2 | 40 minutes | Year A

Humanities | GROW | Spring 2 Week 4 | HUM-GROW-S2-W04

Read one card at a time. Use the code and a fact to explain your choice. Keep the code with its words.

A Invented Group A

Some members draw on Christian care for creation and neighbours. They plan to use less energy at the event and offer a shaded rest space.

B Invented Group B

Some members draw on Buddhist compassion. They ask what help people need. They plan a route and entrance that people using wheels can use.

C Invented Group C

Some members draw on humanist care for wellbeing. They plan shared travel and clear event notes. They use the same maps and data as the other groups.

All card text is newly written. It is not a quotation or a claim about every person and place.
