Words for Beliefs and care for the world

Pink supported print

Belief

An idea a person accepts as true.

Stewardship

Taking care of something entrusted to us.

Creation

The world and life in it, understood by Christians as made by God.

Words continued

Humanism

A non-religious worldview that uses reason and care for others.

Responsibility

Something a person should take care to do.

Consequence

What happens because of an action.

Plan in any language. Ask an adult to read a word aloud.
