Words for Ethics for people and the planet

Pink supported print

Ethics

Thinking about right and wrong and reasons for our choices.

Fairness

Taking people's needs and equal worth seriously.

Harm

Damage or hurt to someone or something.

Words continued

Consequence

What may happen because of an action.

Evidence

Information that helps us check a claim.

Stewardship

Care for something entrusted to us, used here for Christian care for creation.

Plan in any language. Ask an adult to read a word aloud.
