Values and resilience review response

White standard print

Reflect on personal values and resilience. Belief-and-resilience assessment for the unit award.

I can speak, point, use my book or ask for a scribe.

My evidence

Use the six short review items. Give your own responses about named worldviews and respectful listening. Reflect on a low-risk value or use a made-up learner. Choose one thing you understand and one next learning step. Speech, pointing with explanation, your book and a scribe are available.
