Careers · LAUNCH · pair · Spring 2 Week 4 · Theme Resilience & Change

Exact scheme outcomes

Gather references & evidence.

Rights-at-work outcome.

In your book or usual aid, respond to the prompts below. The blank table is optional for Type instead or exact scribe. Do not add real people, employers, contact details or personal financial information. Keep actual work separate from invented teaching models.

My response

Actual work reference and actual activity date, or 'not available today'.

My precise claim and the part of the work that supports it.

Support used and one thing not shown yet.

Possible referee role only; why this person could comment; permission status and planned request.

My safe action, evidence clue, my net-pay calculation and calm query from the invented final scenario.

My own reflection, one next step, help needed and response to feedback.

My review

Choose your own rating for this lesson: I did this; I did this with a prompt; I need another try; Not seen today.

My rating	Actual evidence clue

Use voice, writing, pointing, a usual aid, typing or an exact scribe. Read back and correct. Plan in any language. Ask a trusted adult privately; pass, pause and return with support. No personal work or family story is needed.

Teacher evidence review

Teacher only. Tick only when actual work supports that outcome. Record work reference, access, supplied thinking and any gap. Leave judgement cells blank until reviewed. An unticked row is not proof of failure. Keep this separate from the learner rating.

Closing evidence check

The six scheme rows are taught across four Friday lessons. Review saved work from Weeks 1–4; no requirement to redo six lessons now. Record a missing item, a supported follow-up and a review date. A model reference is not an issued reference; a referee candidate is not consent or a verified endorsement.

VF verbal feedback · WS worked with support · I independent · NS next step · // self-edit · ? read this back to me · E saved evidence · R responded. Keep the first try, one NS and the learner reply. Record R only after Voice and Audience are clear and the learner responds to NS in the same colour, on the same page or usual mode. Offer to the Communication portfolio. Staff confirm any mapping to the unit award; no award completion is implied.
