Add later possible links

Harvest only if ready and approved.
Prepare food only if safe and approved.
Offer or use at a table only when suitable.

Go back to care if a crop is not ready.
No food is handled or sold today.

Where could an offer help

A starter-plant pot helps near growing.
Supervised plant-label help supports care.

My first idea

My idea is ____ for ____ because ____.

Choose a customer type, not a name.
Your idea can change later.

Finish

Read or hear your words back.
Return materials and clear the space.
Tell the adult before a quiet pause.
