Our product or service plan

Plan a product/service to sell.

Gardening and enterprise
Resilience & Change

The plan we are building

Confirm one product or service and who it helps.

Use the actual resource checks from the earlier choice.

Change the plan openly if a check shows a problem.

A draft can improve when new information appears.

Our plan card

Plan field	Actual decision to complete
Offer and customer	What ____ For whom ____ Need ____
Resources	Materials, time and adult help ____
Jobs and checks	Order ____ Role codes ____ Quality ____
Next step	Permission or resource check still needed ____

Complete the blank card from the group’s real decisions.

A job list people can use

Put the jobs in a sensible order.

Agree role codes, resources and completion checks.

Keep adult permission and safe working visible.

A role may be changed, shared or passed.

A quality and safety decision

The plan has no quality check or adult permission.

A Offer the item or service anyway.

B Add the checks before any future offer.

Which choice protects the customer and the group?

Our agreed job list

Job to order	Role and check to agree
Confirm resources	Role code ____ Availability check ____
Prepare the offer	Role code ____ Safe task or mock-up ____
Check quality	Role code ____ Completion check ____
Adult review	Role ____ Permission or next step ____

Use the full pupil job list for resources and ordering.

My plan evidence

Our plan is to offer ____ to ____.

The first job is ____.

Explain the real planning decision and what is still needed.

Review and exit

Read back the plan card and job order.

Check resources, roles, quality, safety and adult approval.

Keep the draft and one clear next step.

Future work follows the next brief and adult checks.
