Knowledge for making and checking

Pink supported edition

Produce & prepare the product.

Before making

Confirm one offer and actual quantity.
Check safe materials with the adult.
Agree ordered jobs and role codes.

Try one part

Make or inspect a label or care-card part.
Check readable words and accurate advice.
A trial is not a finished batch.

Knowledge for making and checking continued

Pink supported edition

Invented model only

Offer: starter-plant pot with a care card.
Customer: a beginner grower.
Need: clear care instructions.

Keep jobs safe

Separate clean paper and soil work.
Wash before clean work and after gardening.
Stop for damage, spills or uncertainty.
The adult checks actual plants and advice.
