Enterprise session jobs

Pink supported edition

Evaluate enterprise; evidence.

Use the evidence

Sort real records into sales, costs and work evidence.
Keep the invented model apart.
Find the float and leave it out of income.

Check the result

Receipts = takings - refunds.
Result = receipts - all relevant costs.
Include the whole batch and unsold items.
Write unknown for a missing figure.

Choose a useful change

Use the Evaluation Record or your book.
Say one thing that worked and your evidence.
Choose one change and a reason.
Help identify evidence or a gap for the unit award.

My one line

Our evidence shows ____; next time I would ____ because ____.

Read your words back.
A model cannot prove real profit.
Ask for a quiet pause when needed.
