TA studio brief — Making the piece: one symbol, one skill

Pathway: BASE · Week 2 Part 1 · Big question: How can we make one big, bold sign on heavy card?

TA practical setup & focus

Provide A4-sized card cut shapes for pupils on the Supported route and model placing four guide dots.

Studio kit: A4 heavy cartridge card, Week 1 grid sheet, soft pencils, oil pastels, ink wash, thick brushes

Key words to prompt

- scale: How big or small a shape is on the card.
- centre: The middle spot of your page.
- shade: Dark tone added to one side of a shape.
- edge: The clear line around the outside of a shape.
- fill: To put colour or marks right across a space.

Supported route steps

1. Place a large A4 centre cut shape on your heavy card.
2. Trace firmly around the outside with a thick dark crayon.
3. Fill one half with dark marks. The other half with light marks.
4. Check that no white gaps are left along the main edge.

Check: One large centred sign filled with dark. Light marks.

Review & exit support

Exit question: Where should your main sign sit so it is easy to see?

Staff note: Staff preparation only: review a short clip on scaling up a thumbnail sign to an A4 card using four guide dots.
