Tier pack: Aspire route — Making the piece: one symbol, one skill

Pathway: BASE · Week 2 Part 1 · Big question: How can we make one big, bold sign on heavy card?

Aspire route studio steps

Step 1: Rule a neat border frame. Draw your sign filling the centre.

Step 2: Layer two marks inside the sign (smooth tone plus texture dots).

Step 3: Use a cool or warm wash in the outer space to push the sign forward.

Step 4: Write your title. Tool name cleanly on a back label.

Success check
