Station support one

Thursday 12 November 2026 | 12:50–14:10 | Year A

Set up

Thursday 12 November 2026. P5: support feedback panel A. Put out the feedback cards, approved samples or non-food models, labels and pencils. Follow the teacher's common brief. P6: support mixed team A with the enquiry and travel cards. Offer the usual aid and white, blue or pink paper with the same finish.

What to look for

Keep feedback specific: what did the pupil actually see or check? Tasting is optional. Appearance, a pack or a label gives a valid no-taste route. Mark not tasted; never turn a visual view into a taste claim. Use Keep, Change or Not sure, with a reason. A pupil may pass or answer privately.

Support and record

Point; ask a short question; rephrase; offer a frame or choice; model the first step only, then return the task. No cold calling. Record an anonymous code, actual action or exact scribed line, evidence reference and actual help. Keep tasting basis separate from the feedback tally.

Reset and P6 finish

At the reset, follow the stop cue and secure samples as the adult directs. P6 starts with the teacher's 13:35 to 13:40 model. Help team A make a roleplay enquiry or unsent draft, then check a travel, kit and risk plan for the open-air museum. Keep unknowns for adult review. Finish: a checked feedback reason, then one enquiry and planning line. No external contact.
